

Press release

Stockholm, November 4, 2021

Invitation to Tobii and Tobii Dynavox Capital Markets Day 2021

Tobii and Tobii Dynavox are pleased to invite analysts, investors, and media to its Capital Markets Day on November 30, 2021, at Helio GT30 in Stockholm, Sweden.

Throughout the day, the management teams of both Tobii remainco and Tobii Dynavox will present their insights into both companies, their strategic directions, and financials. There will be opportunities to see demos and try some of our products.

The Capital Markets Day will be a live streamed as well as a physical event with all necessary health and safety precautions considering the ongoing Coronavirus pandemic. The event will be held in English and will include Q&A sessions that will be open to people attending in person and online.

Details

- **Location:** [Helio GT30](#), Grev Turegatan 30, Stockholm
- **Time:** Tuesday November 30, 2021. Doors will open at 09:00 CET, with presentations starting at 09.30 CET and finish around 16:30 CET. Lunch will be provided at the venue. After the presentations there will be a mingle opportunity with the management teams.
- **Registration:** you must register via [this link](#) to attend (closes November 23, 2021).

The presentation material will be published on [Tobii's website](#) and a recording of the webcast will be available on-demand after the event.

A warm welcome!

About Tobii

Tobii is the global leader in eye-tracking technology and solutions, targeting application areas such as scientific studies & research, healthcare, education and training, gaming, extended reality (VR & AR), and automotive. Our mission is to build technology that understands human attention and intent for a better future — what we call attention computing. Tobii also operates Tobii Dynavox, the world's largest supplier of communication aids for individuals with disabilities. Tobii Dynavox's solutions with hardware, software, and comprehensive services enable people with disabilities to communicate and live more independent lives. Tobii's eye-tracking equipment is used by thousands of enterprises and research institutes around the globe, including 99 of the world's top 100 universities. Headquartered in Sweden, Tobii is listed on Nasdaq Stockholm (TOBII). For more information: www.tobii.com.
