About Tobii

Tobii is a world leader in eye tracking, with a focus on application areas such as behavioral studies and research, healthcare, training and education, gaming, extended reality (VR, AR & MR) and the automotive industry. Our goal is to make the world a better place with technology that understands our focus of attention and intentions, which we call attention computing. Tobii also runs Tobii Dynavox, the world's largest provider of communication solutions for people with functional impairments. Tobii Dynavox's hardware, software and comprehensive range of services enable people with functional impairments to communicate and live more independent lives. Tobii's eye tracking solutions are used by thousands of companies and research institutions around the world, including 99 of the world's 100 most prestigious universities. Tobii is based in Sweden and is listed on Nasdaq Stockholm (TOBII). The Group has more than 1,000 employees. More information is available at www.tobii.com.
